The annual **March for Life** has been held in Washington, DC *every year* since 1973 to draw attention to the untenable legacy of Roe v. Wade, and to persuade our leaders to eradicate it from America's future. Last year, 2010 approx. 350,000 people made the march down historic Constitution Avenue peacefully protesting this tragically flawed decision. In 2011 the anniversary date of the Roe v. Wade decision falls on a weekend, a time when lawmakers are away from Washington. We want to make sure that our pro-life pilgrimage to our nation's Capitol has maximum impact on our elected leaders; and that our Marchers have an opportunity to visit with their MI legislators to press their pro-life message. For those reasons, the March for Life is to be held on **Monday, January 24, 2011. Plan now to attend! WE ARE TAKING SEAT RESERVATIONS NOW, CALL TODAY!**
